

COVID Safety Measure

We are excited to finally be welcoming our audiences back for Carnival of Words 2022 events. We want you to feel confident returning to us and these are the measures that will be in place whilst you attend an event / session with us.

Covid Passes

In line with new Welsh Government guidance:

Face coverings - We ask that if you can, you wear a face covering.

Hand Sanitisers - Hand Sanitising units can be found at all entrance points and throughout the venue. We encourage you to use these as you enter the building and whenever possible.

Test, Trace & Protect - Visitors will be asked to scan the Test, Trace & Protect QR code as you enter the building.

E-tickets - If you opted for e-tickets you do not need to print them, this limits contact. Just show you ticket receipt on your phone to the staff on the doors.

Ventilation - Where possible all windows will be open to circulate air.

Finally, we need you - We are asking for your help in keeping our staff and each other safe. Take your time, keep your distance where possible and most importantly if you are experiencing any of the identified Covid-19 symptoms it is very important you do not attend or visit the venue.

Where possible we recommend taking a Lateral Flow Test prior to attending a Carnival of Words 2022 event. This is not a mandatory requirement for attending but would be a considerate measure for the people around you.
